

8050.00 | Configuration Management

Effective Date: 4/19/2010 | **Revised Date:** 4/19/2010

POLICY OBJECTIVE

The CSU Information Security policy provides direction and support for establishing a configuration management program.

POLICY STATEMENT

Campuses must develop, implement, and document configuration standards to ensure that information technology systems, network resources, and applications are appropriately secured to protect confidentiality, integrity, and availability.
