

## **8090.00 | Compliance**

**Effective Date:** 4/19/2010 | **Revised Date:** 4/19/2010

### **POLICY OBJECTIVE**

The CSU Information Security policy provides direction and support for establishing a system-wide information security compliance program.

### **POLICY STATEMENT**

The CSU Information Security Management Office shall, in consultation with the CSU Office of General Counsel and other subject matter experts, regularly identify and define laws and regulations that apply to CSU information assets. The CSU Information Security Management Office shall provide this information to campuses as it develops. Campuses must develop and maintain information security policies and standards that comply with applicable laws and regulations and the CSU policies that apply to campus information assets. The campus policies and standards must include monitoring controls that ensure ongoing compliance with applicable laws, regulations, and CSU policies.
